**NARRATIVE:**

Franco, has an extensive adult criminal history that began at the age of 18 and includes assault with a deadly weapon: causing great bodily injury, vehicle theft, possession of a controlled substance, felon in possession of a firearm, manufacturing of deadly weapons, possession of a controlled substance, obstruction of a public officer, possession of fraudulent checks, receive stolen property, driving under the influence of alcohol and drugs, and violation of supervised release. Franco has served six prison terms, the longest being 28 months for manufacturing dangerous weapons with prior prison. He was released most recently, to the supervision of the Los Angeles County Probation Department on 10/22/2011. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in September 2013 after Franco absconded from post release community supervision (PRCS). Franco qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for manufacturing dangerous weapons is defined as non-serious and non-violent under the California penal code. His prior criminal history, and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
